Wilson students have the opportunity to choose from many clubs which represent a variety of interest areas. Foreign language students may participate in Spanish and French clubs, skiers can enjoy group-discount rates and share ideas with other skiers in the ski club. Mr. Slemmer's martial arts club gets into judo and karate, but are slightly camera shy. For those interested in community affairs, there's the Leo Club. Swimmers can splash around in Aquatic Leaders. The poets can work on Des Pensees in the Poetry Club and future Rockefellers find an outlet to their interests in FBLA.

Faced with a challenge, committed to a purpose, the 1979 Wilson football team displayed a lot of character and courage in compiling a record of 10-1 to win its 2nd consecutive Section I Championship of the Lancaster-Lebanon League. The Bulldogs displayed a strong running game combined with an effective passing attack as they scored 254 points to set a school record for the longest winning streak with 22 games, and successfully defended the championship. Once again a strong aggressive defense played a dominant role as it broke the school record for least points scored by opponents in a season with 35. The ability of this team to play together was a key factor in the outcome of the season.

Special recognition must go to this year's seniors whose attitude and leadership made possible their goal of winning the Championship of the Lancaster-Lebanon League. The coaches and the players are to be commended for their hard work and dedication in the success of this season.

CROSS

The 1979-80 Cross Country team won four (4) and lost (11), ending the season with a 2-5 record in the league. This record reflects the inexperience of a team that had only two returning lettermen from the 1978-79 team. This year's team consisted of two freshmen, one sophomore, and three junior letter winners. Seniors on the team were John Zaring, Gary Althouse, and Kevin Koehn.

The team was led by Captain John Zaring, who became the first Wilson runner to ever recieve ALL-COUNTY honors. Coach Mahon is hoping for a successful 1980-81 team.

Wilson's 1979-1980 Girls Cross Country team had an excellent season. The girls finished off the season with a 10-1 record, losing to Muhlenberg in the final dual meet of the season. The team was led by one senior: Ann Szustak, two juniors: Lori Moyer, Cindy Sutton, and four freshmen: Andrea Sutton, Michelle Giza, Kristen Reese, and Ellen Deem. Memories: Wolf, Edmund they left, Muhlenberg Meet, Linda, tripping, Linda's house, C.W. girls, Brucie, golf course, food at districts, stop yelling in my ear, roses, games with cheeries, CONFIDENCE. Coach Smith is hoping the 1980-1981 cross country season will be as successful as this year's has been.

The "Shaw" of Wilson.

The 1979-80 Varsity Soccer team, under the direction of Coach Barry Stump, started off the year with a great pre-season record of 3-1. Though team injuries plagued the team, they would not fall, and beat Mifflin in Municipal Stadium in overtime. The team will be losing 5 of its 12 starters, but hopes to regain its strength with some of the outstanding J.V. players. So look out Fleetwood here comes Wilson!

Juniors Brian Gaenzle and Dan Stump also made important contributions to this years team. Brian Gaenzle, Schaebler, Weitzel, Lane, Gerhart, and Stump qualified for the District III Golf Tournament at Hershey. Gerhart missed going to the State Golf Tournament by a mere two strokes.

The 1979 golf team will be remembered as one of the best to ever play for Wilson High.

This year's varsity squad finished an excellent season, going undefeated at home. In his first year at Wilson, Coach Frank Yusella guided the Bulldogs to an impressive 19-7 record. His superb coaching earned him Coach of the Year honors for Sect. One. The season's highlight was our thrilling victory over Reading High. Senior Glenn Bosshard led the team in scoring and was also named to the Sect. One All-County team and Deluca All-Star team. Jim Kirkpatrick made the All-Star team and was also voted Player of the Week by the Reading Eagle. George Sakacs also received Player of the Week honors.

In the beginning of the season it looked like we were going to have a good season. We met our standards by working together, but it wasn't all hard work. GIRL'S BOWLING

Varsity bowler Pat Schremser . . . the smiling Senior

The bowling team had only one girl who had bowled varsity from last season. Most of the team consisted of tenth grade girls out for the first time. There was one new senior and a junior who bowled J.V. last year.

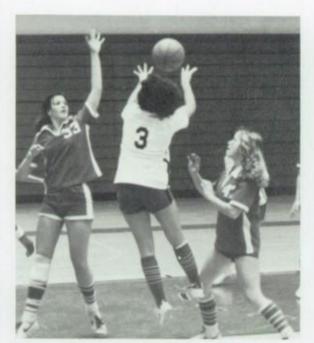

The record was 10 $\frac{1}{2}$ wins to 37 $\frac{1}{2}$ losses, putting the girls in seventh place in their division.

High Scorer was Senior Pat Schremser with a 147 average. She will be the only girl lost to the team, due to graduation, so the team should show great improvement next year with the ten girls back from this year's team.

MEMORIAM

in every lifetime
there is a moment
set aside for sadness
not little sadness

and love.

Denise Breneman

but an agony

it is this moment that just has passed.

the pain remains forever,

one cannot forget,

but there is yet time

before the sun will set,

for happiness
